Traditional, original music.

Music from Ireland, Scotland, Wales, Canada

as well as original compositions by these remarkable musicians!

STRIKE THE HARP!

was born out of friendships,

a love of traditional music and a request for

a Celtic harp concert for the World Music Concert Series

at the Royal Conservatory of Music in Toronto, March 2004.

STRIKE THE HARP!

(STRIKE THE HARP is actually the name of a tune from Wales ...

a gentle tune, in fact, despite it's name!)
